A beautiful symmetry of period style and modern enhancement graces this bespoke c1920's Spanish Mission, a captivating residence favouring families with an unrivalled position. Sophisticated, contemporary and sympathetically renovated and extended, timber floors, lead light windows and decorative ceilings add timeless elegance to formal lounge (with open fireplace and versatile as a 5th bedroom) and dining rooms, complemented by a vast open-plan living/dining zone with a seamless flow on to a sunny deck – surrounded by meticulously manicured gardens, creating a stunning setting for indoor-outdoor entertaining. The gourmet kitchen serves in style, and is appointed with marble benchtops and quality appliances. On the ground floor you will discover 2 bedrooms including a main bedroom fitted with a stylish ensuite, and accompanied on the upper-level by a teenage retreat, 2 additional bedrooms and immaculate bathroom. Flawlessly finished, property highlights include ducted heating, split system AC and double garage, quietly located within footsteps of Murrumbeena Park, public transport and Chadstone Shopping Centre and moments to schools and Murrumbeena Village.*Please Note* Buxton Real Estate may refuse to provide further information about the property should you prefer not to disclose your Full Contact Details including Phone Number.
