Size and Class is all you'll find in this executive Queenslander style home with all the trimmings. Nothing has been omitted in the design of this beautiful home, and that is evident from the moment you set eyes on it. Stepping inside the main entry, you'll be greeted by beautiful polished timber floors. Branching off on either side are five good sized bedrooms, including a Master Bedroom that is absolutely huge. All bedrooms feature carpet flooring and built-in wardrobes. The master bedroom has a built-in wardrobe, as well as a walk-in wardrobe, features split-system air-conditioning and has a stylish ensuite as well. Also off the main hallway is a deluxe main bathroom, which features a separate shower and bathtub, with quality fittings throughout, including 3 in 1 heating lamps. Nearby is the convenient laundry, with direct access to the outside of the home, with plenty of linen storage space in the hall adjacent. The living areas are easily the centrepiece of this immaculately presented home. Featuring an open plan layout, there is a beautifully finished kitchen with plenty of cupboard space, a huge pantry, quality appliances, and even an island bench. The dining area is off to one side of the kitchen, and on the other is the spacious lounge/family room. Throughout this main living area, and in fact the entire home, there are large windows & glass sliding doors, allowing plenty of natural light to enter. Also adjoining the main living area is an executive style media room with surround sound wiring and concertina shutter doors that open out to the lounge/family room. If tropical outdoor living is what you had in mind, then the wide verandahs that surround the home, and in particular the rear verandah which overlooks the vast open backyard, is where you'll spend most of your time. Perched up, catching the gentle summer breezes, watching the kids run around, while you're preparing the afternoon BBQ with a nice cold drink, or sitting down with friends enjoying an al-fresco dinner party is what you can expect to enjoy, the possibilities are endless.
