Discover your dream home in this sought-after pocket of Bell Post Hill. Within walking distance of Rollins Primary School, Kardinia International College, Pettitt Park and Covenant College, Geelong Ring Road access and Bell Post Shopping Centre are nearby. This renovated three bedroom brick home with a separate studio space offers both style and convenience in one package. Step inside to experience a modern and light-filled oasis, where the perfect mix of old and new blend seamlessly and makes a striking first impression. The spacious living area, with its northerly aspect, is filled with light and adjoins the meals area and stylish kitchen with stone bench top and quality appliances. The bedrooms provide a peaceful retreat away from the main living area, all three are sizeable with built-in robes and are serviced by a central, modern bathroom. Outside entertaining is a breeze with an oversized deck overlooking a large and secure rear garden for kids and the family dog to enjoy, there is also a fire pit and access to a fully-lined studio that can be adapted to suit your family's requirements (teenage/guest retreat, home office or re-instate back to an oversized single garage). Other highlights include ducted heating, split system air conditioning, beautiful hardwood timber floors, a fresh neutral interior, separate storage room behind the studio and an approximate 572m² allotment.
