Positioned in the ever sought after Caddens Estate rests this stunning single level light filled opportunity. Continued refinements have provided a finely crafted, low maintenance home ideal for young families, empty nesters or astute investors. What we love:

- Ducted Air Conditioning + front positioned master bedroom with en-suite and walk in
- Recently renovated kitchen and internal laundry + stainless steel appliances + stone tops
- Premium Vinyl flooring throughout main traffic areas + carpets to bedrooms
- Undercover deck + deck extension to rear fence + sun drenched lawns
- Side access + three double bedrooms all with built ins

The open plan kitchen area has been designed to allow maximum light throughout the home whilst providing plenty of room outside inclusive of the timber decking and sizeable yards with high set fencing great for private occasions. The ultra-convenient location is just moments away from Caddens Corner and new Metro Line (In Construction). Local parks and transport add to the homes appeal and future growth within a well sought after area inclusive of great schools and a wonderful growing community
