\$615,000

This 1990's brick home sits on 2 acres of land at the Whiting Estate, set within a sweep of the river at Seelands, about a 17 min drive from Grafton Post Office, on sealed roads. 4 bedroom, 1 bathroom inside. Wrap around 3-sided verandahs outside. There is a double garage adjacent the house. The house is a 1990's model and is very livable as is but will benefit from upgrades within 5 years. Our agency finds small acreage properties of this type and price range are always in strong demand. Offers may be considered as it must be sold by vendors who are committed to Western Australia and need it liquidated. Come and inspect at the open house!
