BY NEGOTIATION

Nestled within a quiet cul-de-sac lies this showpiece, a fusion of Japanese serenity and mid-century design, by renowned architects Cox Rayner. Exuding elegance and tranquility this four-bedroom sanctuary reflects bespoke design and refined living, offering an unparalleled retreat within an exclusive residential enclave, whilst still maintaining that all-important liveability factor. Upon arrival a sense of harmony envelopes you, with carefully landscaped gardens, clean lines and minimalist aesthetic of the exterior hinting at the thoughtful design awaiting within. Stepping through the entrance the warm tones of pale grey tiles and Spotted Gum immediately impact the visual senses, to the left a dining area with cosy banquet reading seat looks out to the greenery-framed pool area. The central kitchen features Gaggenau appliances and opens to the clean-lined, yet contemplative main living space, which in turn spills onto a vast exterior entertaining area by way of floor-to-ceiling glass doors where you can dine under the stars. Retreat to the bedrooms via the stunning central timber staircase and savour the sheer decadence of the primary retreat. Walk-through robe, ensuite with walk-in shower and spa, and just so much space. The remaining three bedrooms share a family bathroom and a spacious office at the top of the staircase could easily serve as a media room/second living for the kids to kick back. All rooms have a deep connection to the greenery outside. Outside, the landscaped grounds beckon you to unwind and recharge, with a Zen-inspired garden providing a peaceful escape from the outside world. A sparkling pool and entertainers deck offer the perfect spot for relaxation with mature trees providing shade and privacy. A double garage with internal access completes the picture of this wonderful home. Should you wish to burn off excess energy it is a short walk to the leisure centre where a choice of tennis courts, a lap pool and gymnasium await as part of the Elysium Estate. Also, amazing bike tracks surround the Estate and can lead you to Noosa Junction and or Noosa River. Located in one of Noosa Heads' more-desired residential streets, this architectural gem offers the ultimate in privacy and seclusion and only a quick drive to Noosa Main Beach and Hastings Street. Whether you seek a serene retreat or a sophisticated entertainer's paradise, this home embodies the epitome of coastal luxury living and can be available for holiday letting with STA approval.
