Set on a spacious 784m² block, this two-bedroom cottage offers an incredible opportunity for those with a vision. While the house itself needs some TLC, the expansive land provides great possibilities for renovation or redevelopment. Conveniently situated, the property boasts easy side access into the backyard, where you'll discover a good sized 8x3m garage, perfect for storage or a workshop. But the real highlight of this property is the location. Step out from your backyard and onto the reserve, where you can effortlessly launch your kayak and embark on a journey through the picturesque canals of Sussex Inlet. Less than 400m away lies the heart of town, offering amenities such as a supermarket, cinema, cafes, and three medical centres. Enjoy a drink with a view at the RSL Club and take a leisurely walk back home along the scenic path by the river, soaking in the beauty of your surroundings. Schedule your viewing today by calling John on Unity.
