This superb custom-built residence, built by renowned local builders, Hartley Building Co. is finished to the highest quality. This thoughtfully designed home boasts three generous size bedrooms, plus a versatile study that can easily serve as a fourth bedroom. It boasts two stunning bathrooms and offers two distinct living spaces including an open plan kitchen, meals and living area and separate lounge. A raked ceiling through the main living with featuring highlight windows, stone and timber bench tops, feature lighting, stunning natural gas log fire, ducted heat and cooling and louvre windows are just some of the first class finishes of this inviting home. Both the master bedroom and light filled main living overlooks and opens out onto the alfresco area and easy-care backyard. The outdoor area is suitable for use all year round with protective outdoor blinds and enjoys a peaceful outlook, backing onto the bushland. Complete with access to the rear through the double garage and located in one of Moama's most desired and fastest growing areas. Inspection will not disappoint. Call today.
