Will you accept nothing but the Best? Do you have exacting requirements and an expectation of Excellence? Then there should be no doubt in your mind, This is the property for you! Being presented for sale for the first time since being built, this exceptional property on the 15th floor is on the coveted South side of the Towers complex and enjoys an uninterrupted aspect over the Swan river and to the East and West. Unlike the many inferior options within the Towers, this aspect is not built out and is not affected by neighbouring properties and developments. This exceptional 3 bedroom 2 bathroom apartment is furnished to the highest level and enjoys an executive tenancy agreement befitting of its impressive standing. With 2 car bays and an extremely rare south eastern balcony, this offering is short of no detail. Being of the highest standard, it is no surprise that the Towers provide its occupants with the most exemplary of amenities and a location that simply cant be matched. With the benefits to be enjoyed year round, and the local area only growing in stature and desirability, this is both an excellent opportunity for the present day, but clearly also for the future. This is a rare opportunity for a south facing 3 Bedroom with a south east balcony since these were sold off the plan, and who knows if or when the next opportunity might arise, so don't delay and express your interest in this outstanding opportunity now!
