On the 15th floor, this apartment offers breathtaking views across the cityscape. The light-filled living and dining zone is designed to maximise these views, with expansive glass windows leading out the skyline. The kitchen is modern and well-equipped designed for apartment living and functionality, featuring stone benchtops and quality well-maintained appliances, including a dishwasher for added convenience. Ducted heating and cooling provide comfortable living throughout the year, allowing residents to enjoy their living space regardless of the season. This attention to comfort adds to the overall appeal of the apartment. The bedroom provides a spacious layout, equipped with built-in wardrobes and natural light filling the room. The Wills Tower buildings go beyond just providing a residence; it offers quality on-site amenities. Residents can enjoy the benefits of an indoor pool/spa and a fully-equipped gym, contributing to a sophisticated and enjoyable lifestyle. The apartment ensures secure living with video intercom access to the stylish foyer, providing peace of mind for residents. The location is within a stroll of the Queen Victoria Market and CBD Hotspots. Additionally, the apartment is just meters away from Flagstaff Gardens, public transport, and various dining options and bars are conveniently located right at the doorstep. Whether you're seeking a brilliant city base or considering an investment opportunity, this apartment offers a well-rounded package, combining stunning views, modern amenities, and a prime city location.
