Nestled in the hills of Kongwak, discover the epitome of contemporary country living on this sprawling 3.6-acre property. This stunning residence, boasting a perfect blend of modern sophistication and rural charm, is more than a home; it's an idyllic lifestyle set against breathtaking views of the surrounding countryside and a shimmering reservoir. The expansive 3.6-acre property unfolds before you, offering a canvas of greenery and stunning countryside vistas. Ideal for those with a couple of horses or a few sheep, this is country living at its finest. Beyond the rolling hills, a large reservoir graces the landscape, providing a serene backdrop for your everyday life. Imagine waking up to the sight of still waters reflecting the beauty of the surrounding nature. The main house exemplifies contemporary country living with an open plan living, designer finishes, and stunning exposed roof trusses. The heart of the home is a chef's kitchen, ready for culinary adventures. A separate bungalow, perfect for hosting guests or generating additional income through Airbnb, is a private retreat in itself. It's a charming space that complements the main residence, offering versatility and style. Take evening strolls around your property, where the golden hues of the setting sun paint the sky. This is your private haven, where every day concludes with the beauty of nature's own masterpiece. With ample land, this property is tailor-made for those who envision a couple of horses grazing or a few sheep leisurely roaming. It's a rural dream come true for those with an affinity for country living. Every corner of this property is a picture-perfect moment waiting to be captured. Share the beauty of your contemporary country escape with friends and family. Explore the local charm of Kongwak, with its welcoming community, country markets, and the delightful sense of being a part of something truly special. Other features of this impressive property include:- glorious gardens around the home- remote controlled awnings for security- 2 fenced paddocks with livestock shelters- multiple fruit trees- chicken run- a cat cage- European appliances- office space adjoining master bedroom- reverse cycle heating plus wood heater in both house and villa- storage shed as well as wood/machinery shed
