Here's what makes this property a real gem; Brand new quality home on a blissful 125 acres of well sort after land. A quality home that has been built with sturdy fibro and iron construction, creating a blend of durability and style. Three bedrooms - the two queen-sized bedrooms are spacious enough to accommodate for comfortable rest and relaxation, the third bedroom is perfect for a child's room, providing a cozy and secure space, alternatively, you can set it up as a study or home office - the modern family bathroom has all quality fixtures and with an added convenient powder room this will ensure comfort and convenience for your family. The Kitchen is thoughtfully designed to maximise space without compromising on functionality, the home comes with all quality tiles, fittings and fixtures. Let your creativity flow as you design this home according to your tastes with a blank canvas inside and out it is just waiting for your personal touch. The 125 acre property is fully fenced, with abundant water supply thanks to a dam and plenty of underground water just 5 kms south of Beverley in the picturesque Kokeby region. Priced at \$550,000, this home is an incredible value. Act quickly, as properties like this don't last long!
