\$682,000

Occupying a substantial 1,313sqm (approx.) parcel of land right in the heart of Darley, this beautiful residence built in the early 1990's provides a warm and welcoming home of space, character charm and timeless period appeal. As you enter the home you are greeted with a spacious yet cosy living area that offers its very own fireplace, perfect for the colder months! Comprising of three sizeable bedrooms, the master bedroom offers a walk-in robe along with an ensuite, whilst the two remaining bedrooms are equipped with built-in robes. The open plan kitchen/dining area is stunning, light-filled and positioned at the rear of the home, then leading out into the backyard is where you will find an undercover alfresco area, perfect for entertaining guests. A separate laundry & second bathroom, a large shed/workshop, sizeable courtyard area, rear access to the property and ducted heating & cooling throughout are just a handful of great features to mention. Positioned only a short drive from Darley Plaza, Bacchus Marsh Golf Course and Freeway Access, as well as being only a short walk away from Pentland Primary School and the Darley Community Hub, the location of this property is second to none! For more information and to book your inspection, contact Mason Torney on 0427 940 085.
