Incredible opportunity for a growing family or clever investor/s to purchase Bayswater's most sought after home. Nestled near the serene Swan River, open parkland as far as the eye can see, kids playground space, dog walking areas aplenty, bike trails, river running tracks and anything else to do with an outdoor healthy lifestyle all within metres of your front door. Once you get behind the front door of your home it is luxury living. The owners have loved and cherished this 5 bedroom, 3 bathroom home for over 20 years but with the children flying the coop it is time for a new chapter for both sellers and potential buyers. It is now your turn to enjoy what they have created. A quirky twist in this tale is an internal granny flat, providing a unique unit style living for either a young couple, teenager, tenant, FIFO worker. It has everything. Bedroom, kitchen space, bathroom, living areas attached but detached from the rest of the home. Add a stunning below ground pool and this has resort style living all in just over 800 square metres. Living areas x 3, a modern kitchen and cool layout, there is nothing you need to do but take the keys and enjoy everything this home has to offer. Come and see for yourself. More images coming soon.
