51.07 hectares - 126 acres (approximately) Situated in a quiet, picturesque valley setting only 7km from Euroa. Drive by the olive grove as you approach the home in this peaceful country environment. This spacious home has a verandah that wraps around to meet the carport. The spacious interior has 5 bedrooms, open plan kitchen, living and dining room. There is a family bathroom with 2 separate private wash facilities. Farm improvements include fully enclosed machinery shed, hay and shearing sheds, timber & steel cattle yards, handling facilities & loading ramp. Subdivided into 11 paddocks with fencing in good condition. Water is outstanding with excellent run off, 6 dams providing water to troughs, garden and olive trees. There are 3 water tanks and a pressure pump under the house. Approximately 20 acres of established olive trees which generally operates as a dry grove. Tree types include Corriegola, Manzanillo, Nevadillo Blanco & Sevillano for oil and Kalamata for eating.
