This exceptionally maintained and well-presented four-bedroom residence will make the perfect family home for your family. Situated in the ever-popular South Windsor and close to the PCYC, Golf Club and a range of parks and reserves, 152A Church Street is a beautiful place to raise a family. Exclusive agent Sam Dalby is delighted to present this beautiful property. Upon entry, a spacious air-conditioned lounge connects to the modern kitchen/diner, with both areas surrounding the fantastic outdoor entertaining area. The living area also has a cosy wood-burning fireplace for those cool winter nights. Hosting friends and family is easy here, with an excellent indoor/outdoor flow and modern appliances that make for great culinary experiences. The laundry off the back of the kitchen makes perfect sense for a busy household and has direct outdoor access for hanging the washing and bringing it back in. The heads of the house will delight in the secluded master suite at the front of the home, with a walk-in robe and an ensuite. Three other bedrooms are located in the separate hallway, which keeps the busy areas of the house separate from the sleeping quarters, and the family bathroom has shower and bath options. A double garage provides secure parking for two modern cars, and there is access to the living area and out to the back garden, where sumptuous lawns offer a safe place for children and pets to roam and play. With Windsor station, a range of schools and shops in the nearby area, everything you and your family might need is close at hand. Don't miss the opportunity to secure this move-in-ready property and make 152A Church Street your new address. At A Glance: 4 bedroom, 2 bathroom Double garage with internal and rear access Air conditioning and fireplace in the spacious lounge Modern kitchen with quality appliances and plenty of storage Master with walk-in robe and ensuite Local parks and reserves within walking distance Schools, shops and transport links nearby We have been furnished with the above information; however, Laing+Simmons gives no guarantees.
