Offering the ultimate in retirement living, this fabulous low maintenance, resort style home is hard to beat. Perfectly presented, this popular design is not only contemporary and spacious but boasts a clever and practical floorplan. This stunning 2-bedroom home with additional multi-function room has been designed and built to the highest standards and would suit the most fastidious of buyers. Designed to impress, this open plan home has seamless flow from the spacious living areas to an expansive tiled rear alfresco room through large stacker doors allowing maximum airflow, space, and functionality. Wrapped in low maintenance manicured gardens, this cool private sun screened alfresco terrace is the perfect retreat. Stunning crisp stone benchtops complement the soft winter white cabinetry, complete with state-of-the-art appliances, centre island and enviable butler's pantry; this home is a chef's delight. The generous master suite is situated at the rear of the home and enjoys a lovely garden outlook. Complemented by a large walk-in robe and ensuite with double basins this residence is sure to please. A second ensuited bedroom occupies a private location toward the front of the home and enjoys private terrace access and garden views.
