Perfect spot for the minimalists amongst us to enjoy the country atmosphere, sitting by the fire in the evening enjoying a beverage and chatting with friends. This Tiny Home consists of two buildings connected by a breezeway and a 2 bay carport to keep the cars out of the weather. This property would make the ideal base whilst you build your dream home. Enjoy a game of cricket or kick the footy around on this large 5669m² flat fully fenced block. Glenwood is certainly a popular area for those seeking a lifestyle change with large gardens, fresh country air, but still only a short trip to Gympie, Sunshine Coast or Maryborough. For those who love the beaches, go explore the wonders of the Fraser Coast or hit the track and drive through the State Forestry to Rainbow Beach! For more information, please call Neville (0404 124 091). N.B. Please do not enter any property without an agent present. All inspections by appointment only. Please phone or email Agent to arrange a viewing time.
