The exterior of the home exhibits an oversized double lock-up garage with convenient access to the backyard. Solar panels ensure energy efficiency, while the landscaping, complete with neat hedges and gardens, complements the wheat-coloured painted brick façade. An open plan kitchen, meals and family area ensure a modern feel amongst a cozy setting. Pendant lights hang gracefully in the living room, where an exposed brick recess provides a place for decoration. Wide hallways and high ceilings enhance the sense of openness and a blue-themed living room with bay windows and flush-mount wall lighting deliver a pleasant relaxing area. The home comes with ducted heating, ceiling fans, plentiful storage and a split-system air conditioning unit in the family room. The kitchen is equipped with a gas burner cooktop, a 600mm electric oven and a double draw dishwasher. Timber shaker-style cabinetry and benchtops add to the homey feel of the space. Three bedrooms with built-in robes offer comfortable retreats while the master bedroom enjoys an ensuite and walk-in robe.
