Team Johnston and Raine & Horne are pleased to offer this beautiful, modern family home at an affordable price point. Positioned in a highly sought after location this property is close to all major services and local schools. With ever rising build costs this is a stress free option. Upon entering the home you will be impressed by the sheer size and quality of the kitchen. Offering a huge island bench, tasteful colour schemes and stainless steel appliances. A fantastic floorplan giving the parents privacy with the master positioned away from the other two bedrooms and boasting a walk-in robe and ensuite. All the bedrooms have built-in wardrobes and the main bathroom has a large walk-in shower and seperate bath. Seperate laundry and ample storage through out. The home is positioned on 1219m² block making this a perfect option for those wanting a larger block for the kids and pets to enjoy in the secure yard. Or take advantage of the tiny home grants or subdividing opportunity (STCA) A large covered entertaining area on the rear of the home that is ideal for all year use. So much on offer and a truly beautiful home that is perfect for the family. So do not delay, this striking home certainly will not last long.
