Fresh and crisp is the best way to describe this renovated brick veneer home. The whole house has been freshly painted inside and outside, while the beautiful Tasmanian Oak hardwood floorboards have also been polished. It offers three good sized bedrooms, a lounge room with split system air conditioning and study nook, kitchen with gas hot plates, range hood and under bench oven. The meals area overlooks the landscaped rear yard. The sparkling bathroom has a large bath tub and separate shower recess. The good sized laundry has access to the side court yard and storeroom. Central heating throughout the home. The long driveway can accommodate many vehicles, boats and trailers. The home is neat as a pin and just waiting for a first home buyer to enjoy the convenient location being a short walk to Primary Schools, Secondary College, Recreation and Aquatic Centre, Supa IGA shopping centre, bakery , pharmacy and fish and chip shop. While Pacific Epping Shopping Centre and Costco are a short drive away. It also has handy access to the M80 Metropolitan Ring Road. Inspection will delight.
