The Parkdale Express design, exclusive to G.J. Gardner Homes, provides a comfortable living experience in a compact living environment. Designed for very compact and infill sites the Parkdale features an open plan living area with a well-connected kitchen, family and dining space where you can entertain with family and friends. An office and powder room finish the ground floor while on the upper floor, four bedrooms including master suite with Ensuite and walk in robe and a family bathroom complete the home. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Parkdale offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the side of the home, providing sustainable and comfortable living conditions throughout the year.
