**\$780,000 to \$830,000**

Representing an outstanding offering to the market the property comprises a classic 4-bedroom hills home set on an almost flat 1018 sqm approx block in the heart of Tecoma. Ideally suited to a renovation or a knock down rebuild with the potential for subdivision or development subject to council approval. Close to all facilities including both primary and secondary schools, bus stop and Tecoma train station this a rare opportunity to secure a large corner block with highway frontage. Please note the pictures are for advertising purposes only and the presentation of the property may differ from the images.
