This enticing home boasts all the hallmarks of an ideal cottage including a favourable location. Spanning a large block on approximately 771sqm with gorgeous gardens, it presents the exciting option for cottage lovers to enjoy the beautiful condition its been kept in by the fastidious owners. The street appeal matches the inside with high ceilings, large rooms and plenty of cottage charm. Very comfortably fitted out there is a wood heater and also reverse cycle heating/cooling. The outdoor area is very serene and usable all year round. This space is ideal for downtime, being totally private and overlooking the beautiful gardens. Further highlights that need to be mentioned is large 7.4 x 10m shed, plus a double carport and workshop (4.4m x 4.8m) all very accessible from the rear lane.
