Country home on 25 acres, surrounded by nature in a quiet and private setting. The house comprises of 3 bedrooms with open plan lounge and dining rooms, basic bathroom and kitchen amenities, combustion fireplace high raked ceilings etc... in need of some TLC and a handyman touch. The property is also connected to solar and the NBN for Internet and working from home..Whilst there is also school bus service every morning and afternoon to Goulburn CBD where there are many shops, supermarkets, hospitals, cafes restaurants and clubs and many services and schools to satisfy your and your family's every need.This 25 bush acres are perfect for those that love natural and peaceful surrounds and feature 2 large and one small dam, here you are totally surrounded by Australian bushland and it is home to many species of flora and fauna that can be found around the property. There is lots of good cleared land around the house which makes it ideal for keeping a few animals, chickens and growing your own vegetable garden and fruit trees.The property has direct road tar sealed frontage to Blakes Boulevard. There is more than adequate parking for many vehicles and space to build a very large shed or even a brand new home. The home compound features a fully fenced yard as well as a large carport. Although the the home is in need of a handyman touch it as served the family well over the last 30 years, so yes this is a great place to make a start living and enjoying the Australian countryside living away from the busy streets and suburbs. Located only 35 minutes from Goulburn, about 1.5 hrs from Canberra & Sydney Metro it is just perfect for the young family and those looking at making the move to the country at an entry level price.
