Here is a great opportunity knocking. This property has a house and a unit all on the one property and available for the one price. The house has 3 bedrooms one bathroom and the unit has two bedrooms and 1 bathroom. This could suit an investor or a split family. The house is currently earning \$13,000 per annum and the unit is earning \$7,800 per annum. What a great little earner that equates to 7%return at the asking price. The home has long term tenants and the unit is well sort after. Call now to arrange an inspection. Property Code: 2063
