Set among productive farming land, in Acacia Hills' fertile valley, is this 20 acre (8hectare) bush retreat. Selectively cleared semi-arid Woodland, with some established improved pastures, a small stable yard, perimeter and other fenced areas for keeping stock or a menagerie of pets. Also 2 concrete stumped shipping containers for storage. Clear ground water from a reliable source, and tankstand to supply the house, as well as guttering and rainwater collection options. Year-round, all-weather access with a built up gravel driveway. The core filled blockwork 2 Bedroom cottage was built to code in 1986, has a 4m verandah added to 1 side and nestles among well established tropical gardens. House features screened security doors, tiled floors throughout and a large bathroom with access from 3 sides. The master bedroom being fitted with Air Conditioner and Built In Robe. For sale as is, with some furniture and fixtures available to modernise and add your personal touch.
