Presented with a fresh modern charm, this full brick character terrace promises a low-maintenance lifestyle in the very heart of the inner west. Its classic period facade will be a big attraction for buyers seeking a great-looking traditional property with bright interiors and an easy-care single-level floorplan enhanced to make the most of the space and natural light. It's also very conveniently positioned a short distance to all lifestyle amenities at Enmore and Newtown, with Stanmore station, cafes and dining spots a easy stroll away. • Well-appointed with modern decor and easy-care polished floors • Northerly rear aspect with a private grassed garden at the back • A well-planned layout featuring separate living and casual areas • Large sliding glass panels seamlessly open up to the outside area • A secure car space with roller door access from Cavendish Lane • Skylit Caesarstone kitchen with quality gas fittings and dishwasher • Two bedrooms with built-ins plus a renovated bathroom and laundry • Walking distance to the Enmore Theatre, wine bars and local schools
