Architecturally extended and upgraded to make a stylish two-level home behind a classically elegant facade, this designer residence's generous modern spaces are complemented by a private north-facing garden at the rear. It's been thoughtfully planned to make the most of the light and space, as well as providing a low-maintenance home for families who love to entertain. The property is also freshly presented throughout and sits on a premium corner block of land that has the Henson Park Hotel, parklands, local breweries and Marrickville Road's entertainment strip all just a stroll away. Crisp contemporary interiors feature wide polished timber floors. A private alfresco deck and a sunlit grassed garden at the rear. Secure carport and lock-up shed accessed from Edward Street. Stylish modern kitchen with premium appliances and finishes. Four bedrooms all have built-ins with two on the upper level. A large attic storage space, ceiling fans and air-conditioning. Close proximity to Marrickville Metro and Sydenham train station.
