The Imola combines classic and modern design, mirroring its names sake, a historical Italian city known for hosting modern day Grand Prix races. It's cleverly designed to maximise space suited to a narrow & short block (squat lot). The main bedroom has a boujee double walk-in robes that lead into the ensuite bathroom. The central living space seamlessly integrates the kitchen, dining and living zones. The minor bedroom wing contains the 3rd & 4th bedroom with a shared bathroom.\*Images depicted on this site are for illustration purposes only.
