Reverberating with timeless grandeur and unbridled family space on a lush garden allotment, this 4-bedroom residence showcases a meticulous display of zoned family spaces and a botanical bounty of established greenery just metres from Sandhurst Clubhouse. A carpeted formal lounge or home office precedes two expansive living areas poised to the rear, relishing a stunning outlook to the rear deck's vine-draped deck and garden-edged yard. Indulge in its idyllic privacy, or entertain the masses around the stone island kitchen, complete with a dishwasher and a chef-pleasing 900mm range cooker. Adaptable indoor-outdoor living spaces are complemented with generous accommodation, completing each of its four bedrooms with robes and ceiling fans. The main suite is suitably substantial, finished with a twin-vanity ensuite and walk-in robe. A double garage, split-system air conditioning, evaporative cooling, ducted heating and a delightful garden scene framed by each window finish a family sanctuary that forever feels away from the rest of the world, convenient to Sandhurst Club's lifestyle amenities, Carrum Downs shops and schooling, and easy freeway access.
