Welcome to Whitsunday Harbour Apartments, Cannonvale's most sought-after sea view apartments. The views that are enjoyed from this apartment are unincumbered out to the Coral Sea and Whitsunday Islands. Unit 157 is a middle floor unit meaning minimal stairs to climb to reach your sea view getaway. As you enter the unit you will be met with a light and bright renovated home. With air-conditioning throughout you will be kept cool on those warm summer days. A separate laundry and a spacious kitchen open to the large living area, flowing out to your private ocean view balcony. The property is vacant with nothing to do other than move straight in or pop a tenant in should you want to take advantage of the healthy investment returns available in the Whitsundays. The location is extremely convenient to all amenities, with the Shopping Centre, schools and transport only a short stroll away. With low body corporate fees, this really is a smart investment. The owners have used the unit for weekend holidays and have made so many memories here. They have now purchased elsewhere and are committed to a sale on Auction day.
