Welcome to iconic 158 Marine Terrace South Fremantle. Where your dreams become reality... Directly opposite Fremantle Sailing Club and South Beach, this incredible modern two level home is the envy of all that pass by. Stunning use of natural building materials including limestone, timber and marble, creating luxurious warmth and texture, throughout. With living areas on the ground level, a wall of glass inviting the water view on almost every angle. Wonderful use of natural light streaming into the home over two levels. Stylish Chef's kitchen being the hub of the home. The three bedrooms and two bathrooms upstairs, have great separation, the main bedroom capturing the water view, swaying palms and boat masts each and every day. What will you wake up to tomorrow? The Crows Nest off the main bedroom built from original pylons attributed to the old Busselton Jetty, gives you somewhere to sit, relax, and reflect, it also creates a fabulous talking point. This home is impressive throughout, the quality and style classic and dateless. The ultimate beachside property, easy care, lock up and leave. Things we love: Location - opposite South Beach and Sailing Club Luxurious quality throughout. 3 spacious bedrooms 2 bathrooms Functional Easy Living Chefs Kitchen - with integrated appliances Fabulous use of natural materials. Excellent Storage Secure garage for large car Rear lane Easy Care - lock up and leave Convenient location close to everything South Fremantle has to offer.
