Built in 1916 and lovingly restored, this character filled cottage is typical of the farm houses built through out North-West Tasmania for that era. It has many charming features and unspoiled views of Bass Strait, the Stanley Nut and Rocky Cape. The property consists of a beautiful 3 bedroom, 2 Bathroom cottage with additional 1 Bedroom self contained granny flat or teenagers retreat at the rear. Both are presented exceptionally well, each with stunning panoramic views. This property is an absolute credit to the current owners with love, sweet and toil which is shown throughout. Previously used as the family guest house and as an air B&B, the owners are simply looking to slow down. Features: * 4 Bedrooms * 3 Bathrooms * 3 Toilets * 3 Kitchens * 3 living areas * 2 Decks Please phone Glenn today on 0429 425 125 Inspections by Appointment only.
