Be impressed by the quality inclusions and functional design that this spacious family home has to offer. Ideally suited for your growing family needs with a beautiful cabana and massive undercover decking. Property features 3 good size bedrooms, all with built in wardrobes. Generous sized lounge and dining area, beautiful gourmet kitchen with quality appliances, a brand new fully tiled bathroom with large shower and separate bathtub. Huge undercover outdoor entertainment area linking the house to the cabana with its own private bathroom. There's also potential for a granny flat or further development with this massive 1,029 square metre block of land. Property Code: 3083
