Located mid-way along O'Shea Esplanade, just a short walk from O'Sheas Restaurant and the shops, this solid residence is built over two levels. Upstairs is totally devoted to a super spacious parents retreat with soaring timber lined ceilings. Escape to stunning Coral Sea views from the large front verandah leading from the spacious bedroom with sitting area walk-in robe and ensuite, you'll find it easy to lose the stresses of day to day living and totally relax. Downstairs consists of another bedroom, under-stair office area, a separate sitting room/study with direct access to the back deck. The relaxed open plan living areas combine lounge, dining and kitchen area all flowing through to the generous poolside alfresco dining area. The kitchen has been recently renovated and features 2 pac joinery, and stainless European appliances. Attached to the rear of the house is a huge undercover lounging / entertaining area that overlooks the tropical back garden and the "funky" detached, semi self-contained one bedroom studio adjacent to the workshop. With a separate lounge, plus a bedroom with extra mezzanine sleeping area & a separate deck, this lends itself to a multitude of uses; airbnb, multi-generational living, work or massage studio, the options are endless. Machans Beach waterfront has become highly sought over the past few years and offers proximity to the city and airport, good access to other northern beaches, is in the capture zone for Cairns State High School and enjoyment of the wonderful community spirit which embodies this beachside suburb. Call Chris or Deb to arrange a private inspection if you're unable to attend a scheduled open home ... but get in quick, there's a long list of people waiting for these properties!
