If you have been searching for a home that's not the same as all the rest, then your search ends here. Masterfully build in 2009 this 2 storey property has been well designed to maximise modern living, with an element of wow factor and unique finishes. The home features an expansive open plan area complete with feature staircase, complete with high ceiling void and pendant lighting. Upstairs has wonderful polished timber flooring and includes a second sitting area, separate study nook and generous master bedroom complete with WIR, ensuite, air conditioning and balcony. Bedrooms two and three also have split system air conditioning and built in robes. Further features of this excellent home include:- Beautiful polished concrete floors downstairs- Open plan kitchen complete with waterfall stone benchtop and gas cooking- Downstairs combined laundry and bathroom - Two living space's - one upstairs, one downstairs- Private balconies for the master bedroom and second bedroom- Four split system air conditioning units - Large north facing outdoor entertaining area- Fully fenced low maintenance garden with garden shed Perfectly situated in Urraween's preferred neighbourhood, you'll enjoy it's elevated position with beautiful breezes. Two minutes walk to Kawungan Plaza for easy convenience and close proximity to the medical precinct, major shopping centre, schools and more. Contact me today for further information, or attend the open home this weekend.
