Hidden at the back of only two with its own driveway, this 90s built 4 bedroom 2 bathroom single level home is family sized and full of promise. Enjoying welcoming northern sunshine, this light filled home enjoys an expansive lounge and dining room with bay window, solid timber kitchen overlooking the slate floored casual living and dining area opening onto the sun splashed alfresco terrace; peaceful main bedroom with spa ensuite and built in robes, a private wing with 3 good size bedrooms (robes), peachy bathroom and a separate laundry. On its own title, it's the perfect canvas to renovate and bring new life to this functional floorplan, or a fantastic investment with wide appeal, complete with a security door entry, ducted heating, ceiling fan, external awnings, vegie garden, utility courtyard and a double garage. In this no through road, nestled between Caulfield Racecourse and Koornang Road shops, walk to fabulous restaurants, Monash University's Caulfield campus, Glen Huntly Village and a choice of Frankston or Dandenong line trains.
