I'm not the Esplanade...

...but I'm still pretty good!!

Just a couple of blocks back and an easy stroll from the picturesque golden sands of the patrolled Somerset beach, "location" shouted loud and clear.

A brilliant corner block, well fenced and level will suit all types of buyers.

Spend your days warming your bones in the north-west facing sunshine, the quality timber decking is positioned to take this advantage.

Undercover patio space leads you to another open grassed area that the children will appreciate.

Internally, it has had an amazing lift! Freshly painted throughout, new vinyl plank flooring in traffic areas and carpets to the lounge and bedrooms was a practical thought as well as some additional landscaping, clean and inviting bathroom, functional kitchen, living space with an amazing wood heater and a sliding door to front patio

A very appealing vinyl clad home that eliminates the painting, bus services nearby, Somerset shopping village just around the corner plus quick Bass Highway access for easy traveling.

A likable home, an awesome position and beach lifestyle calls your name. Come and inspect this property and see why Somerset is in such high demand.
