If it is a "sea or a tree change" you are after or looking to invest in, now is the time to grab yourself a piece of this paradise at Sisters Beach. This natural bush block is only a short walk to the beautiful Sisters Beach and yet you are tucked away privately on this internal block in a beautiful and relaxing location. The creek runs through the back of the property on the western boundary side and there is a partly cleared area just off the graveled drive on the eastern boundary side.* Walk to local cafe/store and beach* National Park walks nearby* Approx 4072m² (just over an acre)* A piece of paradise with this natural bush block* Internal block for extra privacy Town sewerage is available at Sisters Beach and while there's no town water supply, you can use a tank/s for water needs. This would make the perfect weekender location to just come and plonk your caravan on or a great place to base yourself & create your own design home to live or use as your holiday getaway (STCA).*** The information on this website has been provided to LJ Hooker Wynyard by third parties.
