This 2-storey modern style townhouse offers some amazing features that is sure to tick a lot of boxes for many astute buyers whether home owners or investors. From the moment you walk in you will discover the huge open living design with the spacious lounge living area offering a considerable amount of living space ideal for those with large lounge suites & T.V entertainment units. The formal dining area located directly off the kitchen features beautiful tiled flooring and will easily accommodate the largest of dining room tables & chairs. The glass sliding & security screen doors lead you out to the undercover timber deck & courtyard area. The large kitchen with featured tiled splashback offers an array of high & low cupboards, plenty of bench space, stainless steel oven, exhaust fan & dishwasher, double pantry, large fridge alcove, microwave shelf, breakfast bar facility and dual stainless steel sink. Upstairs there are three good sized bedrooms with modern flooring, built-in robes and ceiling fans. There is an ensuite and split system A/C unit in the main bedroom. The bathroom consists of a shower, bath, toilet and stylish vanity with large wall mirror. Outside there is a fantastic sized undercover timber deck area perfect for all social occasions. The laundry is of considerable size and also has a bonus third toilet off it, which is ideal for 2-storey dwellings. For car accommodation there is a single lock-up garage with internal access and electronic roller door plus an extra open car space. This beautiful townhouse is part of a secured gated complex with electronic front gate and has direct street frontage. For further information please call Ross Heidtmann on 0407 113 039.
