With its impressive design elements, quality inclusions and abundance of natural light throughout, this three-storey residence delivers a family environment of low-maintenance luxury positioned to perfection in a sought-after Preston pocket. Instantly appealing and perfectly presented, the clever layout introduces a ground floor bedroom, complementing it with a full ensuite, which provides options for it to work brilliantly as a home office if desired! The first floor is all about living. Good looking hard wearing wide board engineered floors complement walls in a neutral palette under square set cornice in an expansive open space. A stone finished, stainless steel equipped soft close kitchen holds pride of place in the living-meals that meets a terrace with sit up bar for relaxed indoor-outdoor enjoyment. Opening to a balcony of its own, the main bedroom on the second level also includes a deluxe stone ensuite, while the second bedroom on this level enjoys easy access to the family bathroom. Desired extras include a single garage with internal access and fitted storage, connection to the NBN, on-trend black and white finishes to bathroom and ensuites, multiple split system units, and a concealed laundry. In a location as enticing as the living it offers, Preston South Shopping Centre, the wining, dining, and shopping options of High Street and Plenty Road, the tram, the bus and the train are all within a very short walk.
