Introducing 16-18 Faraday Street, Mittagong. Nestled towards the top end of this peaceful street, and sitting on an expansive 3,453sqm parcel of land, this 3 bedroom original brick home provides leafy tree top views and offers privacy and serenity for families, couples, investors or anyone seeking a tranquil retreat. This impeccably maintained home has been lovingly cherished by a single owner, and its pristine condition represents a long legacy of commitment and attention to the home. Features of this split level home include three spacious bedrooms, all with built in robes and master with ensuite, a fully equipped kitchen with dishwasher, and ample counter and storage space, with adjoining dining and family rooms. Extending the living space outdoors you will discover a generously sized undercover alfresco space conveniently located off the dining room perfect for entertaining and relaxing in the serene surroundings, overlooking tree top views and expanses of lush green. The property features an extensive driveway which wraps around the entire residence, an oversized undercover carport, a double garage with storage space, and additional separate double garage/shed providing ample parking to accommodate multiple vehicles, for use as storage space, or as a workshop. The residence is surrounded by expansive manicured gardens and mature trees offering plenty of space for gardening enthusiasts, entertaining guests, or simply relaxing in a serene natural setting while maintaining privacy. Property Highlights:
