Wake to mountain views and birdsong just minutes' drive from central Healesville, this wonderful four bedroom home's expansive dimensions offer a private indoor/outdoor sanctuary. Designed to make the most of the land and with stunning views all round, a lofty interior highlighted by soaring timber lined cathedral ceilings delivers four bedrooms including huge master with spa ensuite plus two bathrooms and two large living areas. An open plan living, dining and kitchen enjoys far reaching views to the east, south and west and leads out to a shady veranda with a huge 2nd living area/rumpus room downstairs with potential as separate accommodation. Set on nearly 1 & $\frac{3}{4}$ acres, 6916m² (approx.) with two driveways giving great access to the block and surrounding gardens. Relax in the side yard and enjoy the view while soaking in the spa or entertain friends around the fire pit. Hard landscaping includes a sweeping stairway to the bottom of the block with retaining walls and low maintenance planting providing a private retreat you'll adore. Additional features include bathroom and laundry on the lower level offering the possibility of separate accommodation for older kids or relatives along with ducted heating, ceiling fans, great storage, double garage and an abundance of off street parking. Expansive living and panoramic views centred around a private garden retreat offers the dream treechange escape you've been looking for.
