This huge 156 internal square metre apartment has to be seen to be believed. Right in the heart of The Entrance this apartment offers an expansive living space, which can be particularly appealing for those who value roominess and comfort. The kitchen has been beautifully designed and has plenty of storage and bench space. Fall in love with the main bedroom with walk-through robe and oversized ensuite. This feature adds a touch of luxury and practicality. The walk-through robe offers ample storage space and the oversized ensuite provides a comfortable and stylish bathroom experience. Having dining options right outside your apartment is a fantastic convenience. This means you can easily access a variety of culinary experiences without needing to drive. Being able to walk to the beach allows for quick and easy access to relaxation and recreation by the water.* Amazing location* Views from the balcony* Two bedrooms with built in robes* Airconditioning* Single car space (but you are so close to everything there is no need for a car!)* Walk to the beach
