The large living and dining areas connect to a good sized covered outdoor entertaining area. Four Bedrooms, (or three and a study) the master with ensuite, 2 others have built in robes which makes the 4th a guest bedroom or study. Main bathroom has a separate shower and bath. The Chefs kitchen has a gas cooker (electric oven) and stone benches, pull-out pantry with the island bench separating the living area. Air-conditioning to living and master bedroom. Double remote garage. The complex has a beautiful BBQ area with salt water pool for those steamy summer days. Plenty of space between you and the neighbours unlike other complex's in the area.
