Salisbury has fast become the up-and-coming suburb of Southern Brisbane. Being only 10km from the Brisbane CBD and only a short drive to Westfield Garden City, Sunnybank Plaza, and Market Square and with its popular community vibe, you can see why people are choosing to live here. The Salisbury train station, city bus stops, shops, cafes, and leafy green parks are all within minutes to this property. Also close are Aldi, the QEII Hospital, Griffith University (Nathan Campus) and the M1, which will get you into the city in about 12 mins time (in good traffic). This great property is also in the catchment of the many wonderful schools Salisbury has on offer including two popular C&K Kindergartens, well regarded State and Catholic schools and Brisbane Christian College primary and secondary school campuses.
