This sweet limestone cottage has fantastic street appeal, with large original window at the front. The three-bedroom home has been recently repainted throughout, with new light-fittings. There are two driveways, allowing scope for shed placement or home extension. The updated kitchen opens onto the dining and lounge and has carpet throughout. There is a slow combustion wood fire and reverse cycle air conditioner. The bathroom has a separate bath and shower. The bedrooms are light-filled and a good size, each with new ceiling fans. Good storage is in the hallway cupboards, with a 'mud room' or storage space next to the laundry that opens onto the back verandah. There is a shed/garage and woodshed in the backyard.
