Situated on a 952m² leveled block stands this beautifully presented brick family home with enough space for that growing family. The home was built in 1993 and consists of three bedrooms, two of which have built in wardrobes and are very generous in size. The master suite has the luxury of a walk-in wardrobe and ensuite featuring a shower, toilet, and vanity. The kitchen and dining are conveniently and centrally located in the house, with two great sized living rooms off either side making sure that nobody misses their favourite tv show. The kitchen boasts plenty of cupboard space throughout with a free-standing oven, rangehood and breakfast bar. Climate needs of the property are taken care of with two reverse cycle air conditioners making sure the heating and cooling is controlled all year round. Outside we have an undercover patio area for entertaining the family and friends, fully fenced yard with backyard access, beautifully established and easy to maintain gardens and a 3x3 garden shed to lock away all your tools. This is a fantastic opportunity for the growing family seeking that extra room in an easy to access place of West Ulverstone being just a short drive to the local shops, schools, and the Ulverstone CBD.
