This vacant block of land is poised on the water's edge of Geographe Bay with great views over the Marina. Situated at the end of a very quiet street and conveniently located near services and facilities such as Port Geographe Marina, restaurants, bars, plenty of footpaths for walking and cycling, parklands and playgrounds galore and is close to Wonnerup Beach. This block of land is also walking distance to Little Cove Beach. This has to be seen to be believed. Don't miss out!
